- Current dates for quarterly meetings: January 28, April 22, June 24 (may not need)
  - Make the meetings an invite to ministries that may have something they would like to present, but not required
  - It is an open meeting where any ministry leader can attend if they would like
  - Council may reach out to certain ministries that we may like to hear from
- Agenda item for next meeting – define next steps for pastoral council new member selection
